

RESPONSIBLE CONDUCT OF GAMBLING HOUSE POLICY

Responsible Conduct of Gambling (RCG) refers to the delivery of gaming and wagering services in a manner that minimises the potential harm that may be caused by gambling to individuals, their families and the community generally.

The Galston Club strives to foster responsible gambling practises amongst patrons and staff. This is achieved by implementing and maintaining various harm minimisation and consumer protection measures as outlined in this policy.

The Galston Club Mission Statement

- measures which limit the accessibility and availability of commercial gambling activities in the broader public interest.
- the requirement for Clubs to provide information to patrons and their guests on counselling services, the use and operation of gaming machines, the chances of winning and the problems caused from excessive gambling.
- on entering the Club and displayed on each gaming machine is an advisement on how to contact counselling providers.
- the placement of limitations on the payment of prizes by cash (\$2000.00).
